The Flood

What Is “The Flood?”

The Flood is an alternative service primarily for teens and youth, but also for adults who are young at heart. The Flood features Praise and Worship by [FloodGate](#), one of the finest Christians bands in the area. On any given night The Flood will feature interactive Praise and Worship songs, mixed with fun songs, gradually migrating to a worship attitude.

There are activities such as interactive games, lots of food (usually pizza) and a social time where everyone can talk to old and new friends while enjoying the food and snacks. Many times The Flood will feature a keynote speaker or another Christian Band.

The youth want to belong and they want to know that they are loved and that they are important. The Flood is designed to help make the youth feel like they are somebody. Many youth today come from broken homes and they need stability that only other adults can provide.

That is why, at the altar call at the end of the night, many burdens are lifted from these young men and young women that are too heavy for them to bear. They learn that there is One Who cares about them and they leave with a song in their heart that the Holy Spirit has put there. Topics the keynote speakers choose are always subjects that the youth of today struggle with at school, at home, and on the job.

It is amazing to watch the youth and adults bridge the generation gap while they stand side by side and worship our Lord and Savior, Jesus Christ. There is no better way to spend a Friday or Saturday night than at The Flood.

The Flood is NOT for just youth who are Christians, but for ALL who may want to attend. Some have accepted Christ during the altar call, and many have rededicated their lives.

How to Host The Flood at Your Church

To host The Flood, a host church will be asked to provide plates, cups, spoons, forks, napkins, ice, drinks, snacks (optional), and a main dish, usually pizza. The youth and adults are asked to bring \$2-\$3 per person to help offset the expense of the main dish. Not all who attend can pay but no one is refused. The Flood will bring the sound system and the Praise Band, [FloodGate](#), will provide 45 minutes to an hour of interactive Praise and Worship songs. The Flood usually provides its own speaker or another Christian Band, but the host church can provide a speaker or local talent within their church. A general time frame is 7:30 pm to 10:30 pm, determined by the length of the altar call.
